

To Whom It May Concern,

The Bridges Foundation is a non-profit that supports Bethlehem Area Vocational-Technical School. We are currently celebrating our 27<sup>th</sup> year of investing in the workforce of the future! The ongoing success of our community depends in large part on our ability to develop a trained and motivated workforce that can meet the challenges of global competition. It is our mission to provide deserving students of BAVTS with the ability and financial support to fulfill their career aspirations.

We strive to help BAVTS students in as many ways as we can. We take any opportunity we can to invest in the school and its students, to create an outstanding workforce for the future. One of the biggest things we do is provide Excellence Awards to graduating seniors. Students can use these awards to continue their schooling or to purchase any tools, equipment or certifications they may need to enter directly into the workforce. Last year we were able to give 31 students a total of \$99,000. This is the highest and largest number of awards we have ever given out. This was made possible thanks to our generous supporters, and with your help we will surpass that number this year!

On April 24<sup>th</sup> we will be holding our annual fundraiser, and we are looking for sponsors to help us reach our goal of supporting as many BAVTS students as we can. There are multiple levels of sponsorship available, with some new options added. More details about this can be found on the attached page. Sponsorships are due April 13<sup>th</sup>.

In addition to sponsorship opportunities, we are also organizing a silent auction for the event. We are in search of silent auction items or cash donations, which would allow us to purchase an item to auction off.

We hope you consider supporting the Bridges Foundation so we can continue to support BAVTS students. If you are interested in being a sponsor or donating an item, please fill out the attached form and email it to [sinklerm@bavts.org](mailto:sinklerm@bavts.org) or mail with your check to:

We thank you in advance for your support of the Bridges Foundation and our mission to support BAVTS and its students!

Sincerely,

Adam S. Lazarchak
